## **Biblical Reminders, Christ's Majesty and the Prophetic Word**

### **1. A Biblical Reminder:**

We know the way of godliness and we're established in the truth

- **Be stirred up by way of reminder:**

as we take Peter's words & life to heart

### **2. Jesus Christ & His Majesty:**

We are not following clever myths, but our Lord who's coming back

- **Hold fast to the apostolic gospel:** the apostles were eye witnesses of His majesty & heard God's voice about His beloved Son

### **3. The Prophetic-Word:**

We know biblical prophecy is confirmed & inspired by God

- **Pay attention to the prophetic word:** it is shining in the darkness until Christ returns & transforms us fully into His image
