
Christian Living, Scoffers & the Second Coming of Christ

1. Be Stirred Up by Way of Reminder

- Remember the Prophetic-Word: Jesus is coming again

- Know that scoffers will come:

→ following their own sinful desires

→ denying the promise of His coming

→ deliberately overlooking what God has already done

2. Do not Overlook this Prophetic-Truth

- The Lord's view of time: it is much different than yours & mine

- The Lord is patient with us: wanting all to come to repentance

- The day of the Lord will come like a thief:
& God's judgment will prevail

3. What sort of People ought We to be?

- Embrace lives of holiness & godliness

- Wait for & hasten the coming of the day of God
