
What do You want Jesus to do for You?

1. Jesus Christ & His Divine Power

- Know, worship & follow Jesus: this will guide you in what to ask for

- Understand & Trust in Jesus' Power
 - He did miracles out of compassion: to reveal Himself & His salvation

 - He does some miracles today: in saving the lost & for His people

 - His grace is sufficient in our trials:
for His power is perfected in our weakness

2. A Large Crowd & Two Blind Men

- Be on guard: against the shallowness of a "large crowd" Christianity

- Be inspired: by the desperate cry & faith of two blind men

3. Some Biblical Principles on Prayer

- Why we ask Jesus: because of our weakness and for His glory

- How to ask Jesus:
 - with surrendered-hearts, biblical truth, and God-glorifying praise

 - with an expectant & persevering faith

 - as disciples, families & churches, & according to the Spirit's leading

- What to ask Jesus:
 - to save me & for daily forgiveness

 - to be filled with the Spirit & for His lordship over all areas of our lives

 - for our provisions, protection, healing & deliverance from evil

 - Other examples: to be a Christ-centered church with evangelistic faithfulness; to bless our authorities & all people, that we might live peaceful-quiet lives; to glorify God & for Christ to return
