
“When the Son of Man Comes, will He find Faith on Earth?”

1. Always Pray & Do Not Lose Heart

- Daily perseverance in prayer is part of biblical faith
- Prayer is one way we “keep watch” & are found ready when Jesus returns
- Part of “answered prayer” comes when Jesus returns: pray accordingly

2. Trust in Our Righteous-Faithful God

- If sinners sometimes do right, how much more will our God give justice to His elect (who cry to Him day & night)

- God “delays” immediate deliverance because He is patient with sinners

- God “delays” immediate deliverance to test the faith of His elect unto His eternal glory

3. Learn from the Persistent Widow

- She’s helpless, prays continually for justice, and God is her only hope
- The question is not “will God come through for me” but rather “will we remain faithful ‘til Christ returns”
