## God's Grace & Serving the Lord

### 1. Know some Highlights of the Parable

- The master was just and generous:  
a denarius was a typical day's wage

- Laborers were dependent on others to hire them:  
& often made only enough for one day's provisions

### 2. Be Transformed by God's Grace

- We are saved by God's grace:  
& we can only serve God by His grace

- God's grace exposes our sin:  
and motivates us for godly service

### 3. Enjoy Serving the Lord

- by rejoicing in God's grace: and serving in the Spirit's power

- by fixing our eyes on Jesus:  
as a united body who serves for His glory
