
God's Word & Bearing Godly Fruit

1. Hear God's Word & Bear Godly Fruit

- God's word is life-transforming: so follow Jesus by obeying His word

- God's word is attacked & rejected: so repent of sin & be on guard

- God's word is kingdom revelation: so know the scandalous, veiled & triumphant reign of Christ in this world

2. Be Encouraged as We Follow Jesus

- Godly fruit rises out of Christ in us:
So don't give in to discouragement

- God's word bears godly fruit: so trust in its truth & power
