"The True Light is Shining"

1. The Witness of John the Baptist: have you considered his testimony?

• John was sent by God as a witness to the light: but he was not the light

• Take John's testimony to heart: believe in the light and bear witness to the light

2. <u>The True Light is Christ</u>: why is He so awesome & do you believe?

• Jesus, the true light, has come: and He enlightens everyone

• The world was made through Him: but the world did not know Him

He came to His own home (creation):
& His own people did not receive Him

• Receive & believe in Jesus: & you will become a child of God
