
Our Loving God & this Evil World

1. God works for our good & His glory:

& He has entered into our suffering thru the sending of His Son

- **Experience God's love & healing thru Christ:**

& follow Joseph's example

2. Adam & Eve rebelled against God:

& we've all fallen short of His glory

- **Trust in Christ the Lord:**

knowing that the heart is deceitful & desperately sick

3. God's wrath against mankind's sin is being revealed:

while His redemptive grace is prevailing for us

- **Be silent before the LORD God:**

seeking Him in humility & rejoicing in our salvation

4. The War has been Won: but the battle still rages...

- **Let the peace of Christ rule in our hearts:**

while guarding against the attacks that rise up against His reign
