**Topic: The Ascension of Christ**

**Title: Living Victoriously on Earth  
by Knowing the Lord of Heaven**

**1. Jesus is Lord of All**

- He reigns above all spiritual powers & is ruler of kings on earth

- He is head of the church & has sent the Spirit to transform & equip us

- Know the Ascended Christ & our victorious position & power in Him

**2. Jesus is Our Great Shepherd**

- He saves, indwells, leads, protects & brings us safely into His kingdom

- Love Him, trust Him, and listen to His voice

**3. Jesus is Our Great High Priest**

- He was tempted in every way we are & suffered like us, but did not sin

- He is our faithful/merciful high priest who sympathizes with our weaknesses

- Hold fast to our confession & draw near to the throne of grace

**4. Jesus will Come Again:**

**in the same way He ascended to heaven...**
