by Pastor Marcus Johnson

Worshiping God as His Holy People:
thru Prayer & with True Beauty

1. Paul's Charge to Christian Men

- **Make prayer a priority:**
wherever believers gather together

- **Pray as holy men without anger or quarrel:**
guarding sound doctrine & nurturing godly love

2. Paul's Charge to Christian Women

- **adorn yourselves thru godly attire & character:**
not with seductive, self-glorifying & extravagant pleasures

- **adorn yourselves thru good works:**
as women who profess godliness

3. Summary Thoughts on Holiness

• **Questions for a Godly Man to ask**

→ am I devoted to prayer amidst our culture which preys on women?

→ do I treat women as sisters & mothers, building up their true beauty & setting the example for other men?

• **Questions for a Godly Woman to ask**

→ do I invest more in my looks than I do in prayer & good works?

→ do I cause my brothers to stumble or provoke my sisters to jealousy, by what I wear & how I act?

• **Worship in the joy of true freedom:**

→ dead to sin & alive in Christ

→ serving & building up one another

→ engaging & confronting the culture with the gospel & thru holy living
