

“Building up Godly Leadership, Godly Relationships & Godly Women”

1. Embrace Christ-centered Leadership

- **Jesus is God the Son:** He is equal to God the Father & He submitted to the Father’s will.

→ **So let us all joyfully embrace God’s call to submission:** which protects & unifies us unto eternal glory.
- **Jesus is Lord of all & the Good Shepherd:** who came as a servant to lay down His life for His sheep.

→ **So leaders must lead:** as sacrificial servants who nurture the flock.
- **Jesus Christ is Head of His church – not man:** and He loves His bride.

→ **So leaders must seek & obey Christ’s will not our own:** with the aim of building up godly love.

2. Honor God-ordained Relationships

- **God created man in His image – as male & female:** so we should honor all humans as image bearers of God

- **What sin has corrupted Christ is redeeming:** & we must stand against all forms of neglect or oppression.
- **Men & women are equal & complimentary in our humanity:** so let us glorify God through Christ-like interdependence with each other.
- 3. Raise up Godly Women
 - **We should faithfully prioritize the teaching & equipping of women:** while rebuking patriarchal sinfulness.
 - **Women should learn with a submissive spirit:** under the protective & nurturing covering of godly male leadership.
 - **Women should continue in godliness:** as we all recognize the honor God has given them, thru their role in salvation.
