## Walking in Godly Relationships & Honoring Godly Widows

### 1. Embrace & Enjoy Godly Relationships:

- **Encourage older men & women:**  
as we would our fathers or mothers

- **Encourage younger men & women:**  
as our brothers & sisters in all purity

### 2. Provide for Our Families unto the Glory of God

- **Care for our parents & grandparents:**  
for this is pleasing in God's sight

- **Which example am I following:**  
the true widow or the self-indulgent one?

- **Heed Paul's charge:** anyone who neglects his or her family  
denies the faith & is worse than an unbeliever

### 3. Honor True-Godly Widows

- **Care for & equip godly widows:** in light of their age,  
marital faithfulness & good works

- **Disciple younger widows:**  
to marry & be faithful to their families
