- they are magi from the east
- they saw His star
- they came to worship Him
- Herod & all Jerusalem were troubled
- His birth was foretold by the prophet

2. Wise Men Worship the Newborn King

- they were sent by King Herod & led by the star
- they fell down & worshiped Him with gifts of gold, frankincense & myrrh

- they returned home, having been warned about Herod in a dream

3. Be Captivated by the Glory of God

- His pursuing-love: for those far off
- His sovereign-reign: over an evil world
- His unending-faithfulness: to His people
- His unfolding-plan: to save sinners & glorify Himself

4. Conclusion

- Are we seeking Christ the King: like the wise men from the east?
- Are we worshiping Christ the King: or troubled by His reign?
