
Knowing & Experiencing God by Faith & for His Glory

1. Knowing God thru Faith in Christ

- **Come to Jesus Christ:**
walking joyfully & courageously with Him by faith

- **Know God personally & theologically**

→ God is One: sovereign-eternal Creator

→ God is Personal: 1 God & 3 Persons

→ God is Holy: He is light, love, just...

→ God is Savior: He calls & He redeems

→ God is King: He reigns now & forever

2. Experiencing God by Faith: **as youth, young adults & the church**

- **God calls & equips young people:** have you heard & obeyed His call & is our church doing our part?

- **Christ's power is perfected in weakness:** so view ourselves accordingly & joyfully serve the living God

3. Living by Faith for God & His Glory

- **Glorify God thru life-long faithfulness:**
in ordinary life & with big steps of faith

- **Embrace the ironic relevance of the gospel:** our true joy & purpose is found in living for Christ not ourselves
