
Knowing the Truth, Living Justly & Walking by Faith

1. Knowing & Experiencing the Truth: Have you considered the claims of Christ, & what is your response?

- To know the truth we must know Jesus:
so believe & abide in Christ

- Knowing the truth is life-transforming: so be set free from the slavery of your sin by knowing & following Christ.

2. Living Justly as Christ's Servants:

in a world that abuses power & authority (Mk 10:42-45)

- The Son of Man came to serve:
so be great in God's eyes by serving in the Spirit's power

- Use our power & authority to serve others & glorify God:
not for self-preservation & self-glorification

3. Walking by Faith: as sojourners & exiles proclaiming the glory of God (1 Peter 2:9-12)

- Recognize the mixed-blessing of privilege & suffering:
and embrace the collective wisdom of diversity

- Pledge allegiance to Christ & His kingdom:
and enjoy the journey of faith along the way
