

What Questions are We Asking & Why?

1. How can we know the truth & who are we to tell the world how to live?

- Our postmodern culture is skeptical about knowing truth:
& proclaiming it

- God reveals Himself & His truth to us:
thru our faith in the resurrected-Christ

- Follow Jesus as His servants:
who leads & teaches us in spite of ourselves

2. Why were the disciples asking about the kingdom & Israel, and what can we learn from this?

- They believed God's promises:
but were overly influenced by a worldly view of the kingdom

- Recognize the strengths & weaknesses of our ever-changing culture: as we seek a Christ-centered unity & a biblical view of truth & the kingdom
