• as we walk by faith & in humility

## Taking to Heart God's Warnings & Judgments Regarding the Rich

## 1. Be on Guard Against the Sins of the Rich

• amidst the uncertainty of tomorrow

• amidst the brevity of life

• in submission to our Lord

• by turning away from the evil of arrogant boasting

## 2. Heed God's Judgments on the Rich

 Miseries are coming upon "you" – because your wealth will perish while testifying against you

 "You" are headed for the day of slaughter – because of your selfindulgence & oppression of the righteous

Let us love our neighbors –
 by caring or the poor, the widow & the orphan
