by Pastor Marcus Johnson

God's Promises & Our Calling

1. God's Call for His Exiled People (which includes believers in Christ)

 Embrace God's will & live faithfully as exiles in a hostile world (vs1-6)

• Seek the welfare of "the city" & pray to the LORD on its behalf (v7)

 Be on guard against false prophets & a compromising gospel (vs8-9)

2. God's Promises for His Exiled People (which includes believers in Christ)

• God fulfills His promises to His people (vs10, 14)

 God knows the plans He has for us: for welfare (a future & a hope) (v11)

• God's people will call upon Him, and seek & find Him: when we seek Him with all our hearts (vs12-14)
