
The Indwelling Spirit & the Blessings of Adoption

1. God Sent forth His Son:

- **God’s timing is perfect:**
and in keeping with His unfolding plan of salvation

- **Christ became like us to redeem us:**
have you believed in Him by faith?

- **Christ redeemed us so that we might be adopted as sons:**
God’s children who are heirs to all that He has promised

2. God Sent the Spirit of His Son:

- **We experience adoption by the Spirit:**
who gives us intimacy with the Father

- **Rejoice & proclaim the blessings of adoption**
 - **Faith:** we are led by the Spirit with assurance & hope

 - **Family:** we are children of God (not slaves)

 - **Freedom:** we are empowered to serve one another in love

 - **Future:** we are promised a glorious inheritance with imperishable bodies
