
The Glory of the Resurrected Christ: Are We Experiencing Life in His Name?

1. The Resurrected-Christ did many Signs – have we seen His glory?

There are seven signs in the book of John preceding Christ's resurrection (also referred to by John as a sign; Jn 20:30): 1) changing of water into wine (Jn 2:11); 2) the healing of a royal official (Jn 4:46-54); 3) the healing of a lame man (Jn 5:1-9); 4) the feeding of more than 5000 (Jn 6:1-14); 5) walking on water (Jn 6:15-25); 6) the healing of a man who was born blind (Jn 9:1-41); and 7) the raising of Lazarus from the dead (Jn 11:1-46).

"John sees these events as more than mere miracles; they are signs that force readers to ask, 'Who is this man who can do all these things? How can he be master over quality, distance, time, quantity, natural laws, misfortune, and death?'" ("John" by Samuel M. Ngewa; *Africa Bible Commentary*, p. 1251)
