*Christ-centered Prayer: Experiencing God's Purifying
Presence, Power, Peace, Provisions & Protection*
Message #3 • by Pastor Marcus Johnson

Jehoshaphat's Prayer:

We do not Know what to do but Our Eyes are on You

1. An Impending Threat & a Humble Prayer of Faith

- Some attacks come amidst spiritual renewal:
& by overwhelming forces of evil

- Pray like King Jehoshaphat:
with God glorifying, biblical & courageous prayers

2. A Prophetic Word & a People who Worshipped God

- Do not be afraid: for the battle is not ours but God's

- Stand firm & see the salvation of the LORD: for He will be with us

3. A Godly Act of Leadership & the Sovereign Power of God

- Worship like "powerless" Judah: who was delivered by the LORD

- Embrace Godly Leadership & set our hearts upon God:
when we are & are not being attacked
